

Law360 Highlights Baker Donelson's Role in Monmouth REIT Credit Deal

Law360 highlighted Baker Donelson's leading role in representing Monmouth Real Estate Investment Corp. in its new credit arrangement, worth as much as \$200 million, with a trio of banks led by BMO Capital Markets. The new facility, which replaces Monmouth's current \$60 million facility that was set to mature June 2016, is for \$130 million and includes an additional \$70 million accordion feature.
