Are You Compliant With New DMEPOS Supplier Standards?

October 11, 2010

The final August 27, 2010 regulations apply to *hospitals, skilled nursing facilities, and home health agencies* that have additionally enrolled as a DMEPOS supplier and not just free-standing DMEPOS suppliers. [Learn more about these new regulations here.](#)

There are prohibitions against sharing a practice location, limitations on contracting certain services, and specific standards to demonstrate the supplier operates at an appropriate site.
