

Bruce C. Doeg

Shareholder

Nashville | 615.726.5722 | bdoeg@bakerdonelson.com

Bruce C. Doeg concentrates his practice in the area of business law with an emphasis on rapidly changing industries, including technology, electric vehicles and infrastructure, digital health, and life sciences.

Mr. Doeg has held numerous Firm leadership positions, including Chief Strategic Officer, Business Department Chair and Nashville Office Managing Shareholder. He currently serves as a member of the Firm's Board of Directors, as well as co-chair of the Firm's Privacy and Technology Center of Excellence and leader of its Digital Health Initiative.

Mr. Doeg serves as trusted advisor and outside corporate and board counsel for companies across numerous industries, including technology, digital health, life sciences and manufacturing. He combines technology, legal project management, knowledge management, and other approaches with his more than 30 years of deal experience to provide innovative and practical solutions to difficult problems. His experience includes mergers and acquisitions, capital formations, cross-border transactions, technology agreements, strategic alliances, corporate and commercial agreements, health care information technology, artificial intelligence (AI), executive and employee compensation issues, corporate governance, and business law advice. Mr. Doeg started his legal career as a corporate litigator in Wilmington, Delaware. He has authored numerous articles and is a frequent speaker on business and technology law topics.

Representative Matters

Mergers and Acquisitions
