

Michaela D. Poizner

Shareholder

Nashville | 615.726.5695 | mpoizner@bakerdonelson.com

Michaela Poizner, chair of the Firm's Health Law Group, is a health care attorney who works with provider organizations to accomplish their operational compliance and strategic business goals.

As chair of the Health Law Group and founder of the Behavioral Health Initiative, Michaela assists clients in buying and selling health care assets and guides them through matters ranging from privacy and security concerns and fraud and abuse analysis to development of policies and procedures and navigation of licensure and Medicare enrollment.

Michaela represents provider organizations in the behavioral, medical, and long-term health care industries. Her behavioral health clients include multi-state psychiatric hospital systems, outpatient and residential mental health treatment programs, geriatric psychiatry providers, and medical-surgical hospitals with psychiatric units. She also represents multi-facility providers of skilled nursing and assisted living care, organizations that serve the intellectually and developmentally disabled, and medical-surgical facilities ranging from physician practice organizations to large regional health systems.

A graduate of Vanderbilt University Law School, Ms. Poizner has served on the board and is incoming chair of Leadership Health Care. She has been recognized in the area of health care law by both *The Best Lawyers in America*[®] and Mid-South Super Lawyers. Before joining Baker Donelson, she clerked for the Vanderbilt University Medical Center Office of General Counsel.

Representative Matters

- Coordinated health care transactions, including medical-surgical and psychiatric hospital and nursing home acquisitions and sales and physician practice acquisitions.
- Guided behavioral health provider through full spectrum of licensure and zoning requirements in order to open outpatient and residential facilities in Tennessee for the first time.
- Assisted hospital in establishing legal and operational process for involuntary commitment of psychiatric patients, including analyzing the interaction between the involuntary commitment process and EMTALA.
- Assisted behavioral health hospital in navigating relationship with Disability Rights patient advocacy group, including responding to requests for patient records and related inquiries from state licensing agency.
- Managed all aspects of initial and ongoing Medicare provider enrollment for multi-facility, multi-state long-term care provider.
- Assisted multiple clients with obtaining initial licensure and changing ownership of licensed long-term care facilities in Tennessee and other states.
- Guided client through entire process of closing licensed and Medicare-certified nursing home, including transfer of facility license and obtaining and maintaining inactive status for nursing home license.
- Managed attorney general review processes for multiple transactions involving sale or merger of nonprofit health care facilities in Tennessee, Virginia, and New Jersey.
- Drafted complete HIPAA privacy policies and procedures for multi-state psychiatric health system, including analyzing the interaction between state privacy laws and HIPAA.

- Advised clients on application of 42 C.F.R. Part 2 related to substance use disorder and alcohol addiction treatment, including analyzing the interaction of Part 2 with HIPAA and applicable state laws.
- Provided analysis of fraud and abuse compliance, including Stark Law, Anti-Kickback Statute and state law issues.
- Advised large number of clients on responding to subpoenas, law enforcement requests, and attorney demands for confidential patient information.
- Represented a behavioral health provider operating 23 psychiatric hospitals and outpatient programs along the Gulf Coast, as seller's counsel in its \$310 million sale to a buyer with financing provided by a private equity firm.
- Represented Strategic Behavioral Health in its \$170 million sale of eight psychiatric hospitals to a Tennessee-based behavioral health and addiction treatment center.
- Represented a city public health authority in its \$11 million acquisition of a public hospital.
- Represented a non-profit foundation in the \$40 million sale of its interest in a large hospital to an academic medical center.
- Represented a behavioral health provider operating 23 psychiatric hospitals and outpatient programs along the Gulf Coast, as seller's counsel in its \$310 million sale to a buyer with financing provided by a private equity firm.
- Represented a nationally regarded health system in a novel transaction with nearby colleges and the local public school system to establish a health sciences academy.
