

Teresa Patterson*

LPM Project Coordinator

Jackson | 601.973.3616 | tpatterson@bakerdonelson.com

As legal project management project coordinator, Teresa Patterson is responsible for coordinating technical development efforts including implementation and support for the Firm's legal project management initiative and its related software.

Teresa assists in the creation and development of extranets, and routinely demonstrates legal project management interface tools for clients. Teresa conducts training for attorneys, support staff and outside extranet users. She also provides continuous support to the LPM Implementation Team as well as the Firm's subsidiary, BakerManage™.

She has a strong foundation in both project management and office management disciplines, with more than 30 years of experience in industries including real estate, construction, oil and gas, and disaster recovery. Teresa has supervised field labor crews, project teams, financial systems, document management and enterprise content management systems.
