Chris Olds is a member of the Real Estate & Finance Group and concentrates his practice in the area of wireless communications and related industries.

Clients rely on Mr. Olds to handle the many legal components associated with the organized deployment of wireless infrastructure, as well as the legal support necessary for the continued evolution of that infrastructure and technology.

Mr. Olds has significant experience drafting and negotiating agreements for indoor and outdoor distributed antenna systems.

Representative Matters

- Played a key role in the successful negotiation of a master agreement that will be used in the deployment of distributed antenna systems on university campuses and in urban areas nationwide.

Education

- Baylor University School of Law, J.D., 2004
- Charleston Southern University, B.S., 2000, summa cum laude

Admissions

- Texas, 2004
- South Carolina, 2006
