Grant McClernon is a health care attorney whose practice centers on corporate transactions, regulatory compliance, and life sciences matters.

As a member of Baker Donelson's Health Law Group, Grant provides strategic counsel on a wide range of issues, including mergers and acquisitions; federal fraud and abuse laws (Anti-Kickback Statute, Stark Law, and False Claims Act); physician employment agreements; HIPAA compliance; state health care transaction filings; and the corporate practice of medicine.

He also advises clients on regulatory considerations tied to restructurings, bankruptcies, and private credit arrangements. Grant's work has included representation of physician groups, pharmacies, health care technology companies, private equity sponsors, and life sciences companies, with a particular focus on pharmaceuticals, medical devices, and other FDA-regulated industries.
