## **Kristine Roberts Featured in Memphis Business Journal's "Athletes in Business"**

Kristine Roberts, former rugby player at Princeton University, is featured in the Memphis Business Journal's cover story "Athletes in Business," which highlights former college and professional athletes in the Memphis business community. Ms. Roberts says "The greatest sense of accomplishment I have felt -- both as a rugby player and as a lawyer -- has been while working together as a team and striving with a group of people to accomplish a common goal.
