Joe Conner Talks with Chattanooga News 12 on the Tennessee Automotive Manufacturers Association Conference

Chattanooga News 12 speaks with Joe Conner about the Tennessee Automotive Manufacturers Association Conference, which was held in Chattanooga in October 2012. Tennessee is ranked eighth in the nation for automotive production. Mr. Conner, who works closely with the automotive industry, stated, "Just the proximity to Georgia, South Carolina, North Carolina, Alabama, Mississippi, makes this whole region really a hotbed for a supplier's network."
