Recorded Video from the Webinar: Do You Understand the I-129 Part 6 Export License Requirements? What You Need to Know

July 22, 2011

Listen to an audio recording of our July 12, 2011 webinar for further clarifications and practical tips for complying with the new deemed exports requirements for companies that employ foreign workers. Moderated by Kevin Wolf, Assistant Secretary for Export Administration; and Randy Pratt, Director Information Technology Controls Division and encryption expert from the U.S. Bureau of Industry and Security of the Department of Commerce.
