Baker Donelson Recognized by Seramount Among the Best Law Firms for Talent

April 15, 2025

Baker Donelson has been named to Seramount's 2025 Best Law Firms for Talent, which recognizes firms that utilize best practices in developing, retaining, and promoting lawyers.

"In these times, having the best talent at a law firm is absolutely essential to success. These firms demonstrate commitments to inclusive best practices that help all lawyers thrive and do their best work," said Subha Barry, President of Seramount.

This list, in various forms, has existed for 18 years and is regarded as a key measure of workplace climates and best practices that benefit lawyers. This is Baker Donelson's ninth consecutive year to be recognized.

Seramount's 2025 Best Law Firms for Talent application included 651 questions about attorney demographics at different levels; paid time off and leaves; benefits and career flexibility; and best practices in developing, advancing, and retaining attorneys.
