

OUR PRACTICE

Office Developments

Baker Donelson's real estate and finance attorneys represent developers, owners and operators of commercial and medical office buildings and office parks across the United States. Our experience ranges from single buildings to suburban office parks and flex buildings. Baker Donelson has represented clients in a variety of transactions involving office buildings, including sales and acquisitions (single asset and portfolio), planning and development, financing and leasing.

Representative Matters

Results may vary depending on your particular facts and legal circumstances.
